Please publish the following Legal Notice in the **Friday, August 12, 2016 edition** of your newspaper.

Please note that the last sentence of the notice is one size larger font to draw attention to that statement. Section 102.005 of the Local Government Code requires the statement to be a larger font for the budget document; however, we wish to also include it in the Legal Notice. Also, note the dollar amount and the percentages have no punctuation between them. This is the way the Bill was approved, and we do not want to correct it in any way.

The City Charter mandates that a time sensitive publication of this notice occur. Please confirm by email that you will comply with this request for publication.

Thank you for your assistance.
