

# NOTICE OF 2019 TAX YEAR PROPOSED PROPERTY TAX RATE FOR CITY OF CEDAR HILL

A tax rate of \$0.697028 per \$100 valuation has been proposed for adoption by the governing body of City of Cedar Hill. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of City of Cedar Hill proposes to use revenue attributable to the tax rate increase for the purpose of continuing core services and funding public safety, community life, and neighborhood integrity initiatives and implementation of general obligation bond programming.

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for City of Cedar Hill from the same properties in both the 2018 tax year and the 2019 tax year.

The rollback tax rate is the highest tax rate that City of Cedar Hill may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.
