**DALLAS COUNTY****ORDER OF COUNTY JUDGE CLAY JENKINS**

DATE ORDER ISSUED: March 12, 2020

Summary: The virus that causes 2019 Coronavirus Disease (COVID-19) is easily transmitted through person to person contact, especially in group settings, and it is essential that the spread of the virus be slowed to protect the ability of public and private health care providers to handle the influx of new patients and safeguard public health and safety. Because of the risk of the rapid spread of the virus, and the need to protect the most vulnerable members of the community, this Order prohibits community gatherings, of 500 persons or more anywhere in Dallas County beginning at 11 a.m. on March 13, 2020, and continuing seven days through 11:00 a.m. on March 20, 2020, as defined by Section 3 herein. For all other gatherings, the Office of the Dallas County Judge and the Health Authority strongly recommends following the social distancing protocols attached to this Order, including canceling, rescheduling, or not attending events with more than 250 persons. Additionally, the Office of the Dallas County Judge and the Health Authority strongly urges high-risk individuals, as defined by the Centers for Disease Control and Prevention (CDC), to cancel, reschedule, or not attend events that will have or will likely have 10 or more people.

The Office of the Dallas County Judge and the Health Authority strongly urges organizations that serve high-risk populations to cancel gatherings of more than 10 people. These recommendations are based on the social distancing practices attached to this Order as well as the "Implementation of Mitigation Strategies for Communities with Local COVID-19 Transmission" issued by the United States Centers for Disease Control and Prevention ("CDC"). DALLAS COUNTY

- b. For any gathering covered by this subsection c., the Office of the Dallas County Judge and the Health Authority strongly encourages compliance with the attached Social Distancing Recommendations, including providing hand sanitizer and tissues and increasing cleaning of commonly touched surfaces.**
