Achievement of Library Excellence Award Application 2020

Section 3

**Provide current marketing materials highlighting basic services and publicity about specific programs the library offers.**

The library provides a basic informational brochure about library services (hours, circulation policy, business services, technology availability, etc). This is kept on the circulation desk to give to patrons when they sign up for a library card or whenever needed. However, a more up-to-date location to find events, current information and changes to service is the library website: [www.cedarhilllibrary.org](http://www.cedarhilllibrary.org). Within this website there are updates of our current hours, announcements of upcoming events, a monthly programming calendar, sign-ups for events (such as events using Zoom as a forum), the library's curbside service, curbside business service, and home delivery service policies.

A monthly calendar is created and posted online, in both English and Spanish. It is posted on the website and gives the public the dates and times of upcoming events, storytimes, ongoing classes, and workshops. It is also printed and available in the library for patrons who come to the library in person.

Beginning in the month of March, the library took all of their programming and most communication to an online, virtual forum. Event explanation and flyers are also posted on all social media accounts (Facebook, Twitter, Instagram). Staff posts a synopsis or teaser to engage viewers along with a photo, flyer, or video to invite viewers to attend a live performance, a link to view on youtube or a link to sign up for the Zoom registration. The majority of the library's current services are being provided within our social media platform.

Posters are created for all special events and are posted in the library foyer, at the Government Center, and in other locations in Cedar Hill. Flyers are created by staff for ongoing programs and events. These are posted on our website, social media (Facebook, Twitter, Instagram), within the library, and also in our take home (giveaway) kits/bags.

Calendar events and press releases are sent to the local newspapers and are posted in our city's newsletter which is mailed with utility bills.

## Community News Notes

### ***Super Seeders Garden Club to meet***

Super Seeders Garden Club. We are a garden club is an organization with members in the southwest Dallas county and surrounding areas.

The group meets monthly September

through May, with different topics or presentations pertaining to gardening. Most meetings are held at the public library in Cedar Hill.

Super Seeders Garden Club will meet Tuesday Nov. 12, at 10 a.m. at Zula B. Wylie Public Library, 225 Cedar Street, Cedar Hill, Texas 75104. The meeting program will include "Making Your Grand Entrance - Designing Wreaths with Dimensional Elements". Light refreshments will be served. This is a Free event, although we will accept canned goods to give to the local area food bank.

February 7-28 - Fitness Workshop

March 7 - Teen Art Studio

March 14 - Teen Twister

April 4-25 - Music Making Workshop

May 2-23 - Teen Career Readiness

## Ready4K

Ready 4K is an evidence-based text messaging program for parents of newborns and 1-5 year olds. Each week, parents receive fun facts, easy tips and encouraging messages to support their children's learning. Ready 4K activities build on the things that parents already do with their children - like getting dressed,

meal time, and bath time - to make supporting child developments fast, fun, and easy. Ready 4K text messages cover early literacy, early math, and social and emotional skills, and they are currently available in English and Spanish. For more information, call us at (972) 291-7323 ext. 1323.

# CITY EMPLOYEES HONOR KING'S LEGACY WITH DAY OF SERVICE

Each year on the Martin Luther King, Jr. holiday, employees and their families honor the Cedar Hill community and King's legacy by giving their holiday time for a Day of Service, volunteering at local non-profits, beautifying roadways by picking up litter, and lending a helping hand at local senior citizen communities.

"This event, along with countless other instances where city employees give back throughout the year, is one of the things that sets this organization apart and shows the heart behind 'the Cedar Hill way'", said City Manager Greg Porter. "It is an opportunity to connect with the community and to reflect on the meaning of service".

There are many opportunities for individuals and organizations to participate in their own day of service to the community. Find information about Cedar Hill community organizations at [cedarhilltx.com/communityorganizations](http://cedarhilltx.com/communityorganizations).
