

Summer is on the way and we can't wait to see our new and returning Camper's smiling faces!

For you as a parent, choosing **CHAT Summer Camp** means knowing that for at least 9 wonderful weeks of the summer, a caring team of child-development professionals will be investing their time into your child. Our Staff will be taking the time to know your child, welcoming your camper by name, and ensuring that they are connecting with other kids and the counselors. We are parental in our approach - looking for untied shoes, prioritizing sunscreen during swimming and watching for small clues that may indicate that some extra attention is needed. This summer, we want our campers to have a break from "the norm". We want them to try things that are new and challenging. Our Counselors are a diverse inclusive team who keep the "focus on fun" with emphasis on education. ***Camp registration is currently available online or onsite at Cedar Hill Recreation Center.*** Camp details are as follows:
