	Description: Oncor Electric--Electric-Oncor is extending the OH line that stops behind the alley that stops behind the alley off S Joe Wilson rd. We will extend this along the new developers property up to Belt Line Rd. All of this line extension but 4 poles will land in customer easement. The only portion that will be in City ROW will be from the intersection of Belt Line Rd and S Waterford Oaks Dr to the edge of the customers property roughly 500'. We will install 50' poles to make sure we clear the existing trees so that very limited if any tree trimming is needed. This is to provide power to the new development but also allows Oncor to better upgrade the infrastructure and install a loop to back feed our other lines if any equipment failures occur.---200 S Joe Wilson Rd
