Cedar Hill, TX 75104

CEDAR CREST CHRISTMAS 2024 RECAP

A heartfelt "Thank you" to everyone who joined us at the 2024 Cedar Crest Christmas Gathering! Your presence made it a truly unforgettable event, bringing neighbors together in the spirit of the season. We are so grateful for the warmth, joy, and sense of community you helped create. Here's to many more moments of holiday cheer and connection!

Congratulations to the 2024 Christmas Decor Winners!

NEW YEAR, NEW NEIGHBORING GOALS

Be Helpful and Kind: Offering assistance to neighbors who may need it, whether it's lending a hand or rolling trash and recycle carts up the driveway, a little can go a long way in building a warm, welcoming community.

Loose Pets: Uncontrolled pets are often picked up by animal control or brought to shelters, which may already be overcrowded. This can contribute to overpopulation and strain local shelters. Being proactive about keeping your pets safely indoors or within a fenced area helps prevent these risks and ensures both safety and well-being.

Parking: Trash & recycle day in Cedar Crest is every Thursday. Brush & bulk week starts at 7am on the 3rd Monday of each month. Please be mindful when parking along Capricorn St. and Gibson St.

Lock Your Vehicle: A locked vehicle is less inviting to potential burglars who might be looking to find something of value inside.

Repair Fences: Keeping your fence in good shape is very important for several reasons including safety, privacy, protection of children and pets, and curb appeal.
