

Become a Clean Cedar Hill Campus!

Join the City of Cedar Hill's Beautification and Environmental Sustainability (BES) Board and help us foster a sense of pride and ownership in your scholars by empowering them to keep their school campus and their City a clean, beautiful space!

What is Clean Cedar Hill Campus?

Clean Cedar Hill Campus is an initiative to help foster a sense of ownership across school campuses by keeping your school area clean and litter-free!

What do we get for pledging?

By pledging to be a Clean Cedar Hill Campus, your school will receive cleanup supplies, a "badge of honor" to display, and periodic shout-outs on social media! This is also a great community service opportunity for your scholars.

What do we do in the program?

Your pledge to be a Clean Cedar Hill Campus means that your scholars are committing to conduct periodic cleanups at and around your campus to help do their part in keeping Cedar Hill Beautiful!

Why is this important?

Litter is a problem across all communities in DFW. Stand out in Cedar Hill and lead by example showing the community that you are not afraid to get "down and dirty" to keep YOUR CITY beautiful!
