

# Clean Cedar Hill Campus

Join the City of Cedar Hill's Beautification and Environmental Sustainability (BES) Board and help us foster a sense of pride and ownership by keeping your campus and the City a clean, beautiful space!

## Important Details

### Commitment

Conduct a *minimum* of two (2) cleanups per year at your campus. More cleanups are strongly encouraged. Participation in community-wide cleanups do count!

### Supplies

The City of Cedar Hill shall provide your campus with reusable trash grabbers, safety vests, and gloves **at registration**. Trash bags may be requested prior to each scheduled cleanup. Additional supplies may be requested and are subject to availability.

### Reporting

Submit an online cleanup report after all scheduled cleanups. Photos are optional on cleanup reports; any photos submitted may be used in City publications, websites, and/or social media.

### Safety

Each campus is responsible for maintaining safety measures during all cleanup events. This shall include, but is not limited to, first aid kits and adult supervision of minors.
